Children's Dental Health Services **Silver Bucket for June** Children's Dental Health Services

Children's Dental Health Services is one of the blessings which has come from the efforts of the Dental Health Group. They were able to work with a similar group in Nobles County and share a mobile service which comes once a month to care for those in need of their services. It has also joined with the MN West Campus here in Luverne and partners with them to add this program to their course offerings. Its students work with Children's Health Dental Service to provide for those who sign up each month. Please give generously to keep this program going

The 2021 Annual Conference is scheduled to take place June 22-24, 2021 with June 22 and 24 being entirely virtual and June 23 being in small in-person groups at various sites across the state. The theme of our 167th Annual Conference is "Jesus. Waymaker."

The registration deadline is June 15th. No Late registrations are accepted. To register and find out more information go to www.minnesotaumc.org

WE'RE QUILTING AGAIN...

The plan is to start up where Elzora left off with quilting blankets. Please plan to meet on Monday, June 21st at 2pm in the Upper Room. This meeting will be to plan for future quilting bees and to learn what needs to be done. (No quilting will be done this day.) If you helped in the past, your input will be very much appreciated. I do know that we are going to need supplies: material (cotton especially), batting, binding and thread.

Also, if anyone has a sewing machine that is no longer being used but is in good working order, it would be appreciated if you would be willing to donate it to the church. If you have any questions, please contact **Becky Anderson (Elzora's niece)** at (507) 227-1746. Thank you!
